

2014 Simley Golf

Simley "Spartans" Golf made a decision in 2010 to begin a Founders Club to purchase team golf bags. As you see on the attached picture, the bags turned out great! The players on both the Girls and Boys teams have been extremely proud of their Simley golf bags. They should be, since the rest of the teams in the classic Suburban Conference had team bags for many years before us.

After four successful seasons, it is time to replace a few of the bags, so we are making a new Founders Club push this season. As with all teams in times of shrinking budgets, Simley Golf will be fundraising to pay for these bags, as well as other annual expenses such as tournament entries, golf balls, team shirts, and other equipment. Since only two coaches are funded, we also fundraise for long-time head coach, now assistant coach Denny Schueller, who has graciously continued to help our program since his retirement and new girls assistant coach Lisa Murphy, a science teacher in the middle school.

Our goal is to find individuals who will donate a minimum of \$150 this season to the program and become Simley Golf Founders. All founders will be recognized, unless anonymity is requested, by inclusion on the permanent Founders Club plaque at Inverwood Golf Course, inclusion on our program website, by the Inver Grove Heights School Board, and by the grateful appreciation of all Simley Golfers. Please also see the attached picture of our Founders Club Plaque that is currently prominently placed at Inverwood.

If you are thinking about becoming a member of the Simley Golf Founders Club, please note that checks should be made out to Simley Golf Boosters and given to any of the coaches associated with our program or any of our booster board members. A letter of appreciation, which will also serve as a receipt, will be sent to you.

Thank you for your consideration to support Simley Golf. We have a great group of young men and women who are representing their community, their school, their teams and themselves with very high standards. With your help, we can demonstrate our pride in them.
